

Kelly Family Scholarship

Background:

Since the 1940s, the Kelly family has been active members of St. Michael Parish and supporters of Catholic education. Joe and Helen Kelly sent their four children (Joe, Jim, Bob, and Patsy) through St. Michael's and Central where they were active in Boy Scouts, altar serving, student council, athletics, and community service. Since then, two more generations of Kelly descendants have continued to prioritize the development of their faith through attending Catholic schools.

Award:

The Kelly Family Scholarship will provide a St. Michael Parish School student with a nonrenewable \$1,000 tuition scholarship. A selection committee will review the applications in the Spring and announce a recipient at the SMPS Awards Assembly in May. The scholarship funds will be applied to the student's tuition balance for the upcoming 2024-2025 school year.

Criteria:

Students entering grades TK through 8th are eligible to apply for this scholarship funded by the Kelly Family. Priority will be given to middle school students, those who show a considerable amount of stewardship within our parish and school community, as well as those who see a great importance of living out their Catholic faith. Financial need will also be highly considered.

To apply:

Please complete the Kelly Family Scholarship application, attach your essay, and return it to the School Office, labeled "Kelly Family Scholarship" no later than April 30th, 2024.
